## About Our Company

Software development, information technology, and cloud services.

Welcome to AXYRA profile presentation. We are a company focused on providing technology solutions across a variety of industries. In this presentation, you will learn more about who we are, what we do, and our future plans.

#### **Vision**

To become the leading technology company by providing innovative solutions that drive global business advancement.

#### **Mission**

To develop technology that enables businesses to transform digitally, increase efficiency, and achieve significant business outcomes.

The company was founded in 2009 with a mission to provide technology solutions that support digital transformation and business efficiency.

#### **Core Products**

ERP (Enterprise Resource Planning) systems, CRM (Customer Relationship Management), and E-Commerce.

#### **Latest Innovations**

Our Advanced ERP Solution to help companies manage their operations more efficiently.

#### **Quality and Advantages**

Our solutions are designed using cutting-edge technology, provide 24/7 customer support, and are customizable to meet each client's specific business needs.

We offer a variety of technology products, ranging from ERP systems to mobile applications, designed to improve business performance. Our latest innovation, an Al-powered ERP system, allows businesses to work smarter and more efficiently through cloud technology.

# Major Achievements We are proud to have received several awards and s

#### Major Achievements

#### **Partnerships:**

Partnering with global innovators — Microsoft Dynamics, SAP, IFS Apps, and Oracle — we combine advanced technologies with deep business insight to create intelligent, future-ready solutions that redefine enterprise success.

#### **Major Projects:**

We implement ERP, CRM, and eCommerce solutions for multinational companies, helping them unify their operations, improve efficiency, and stay competitive in a fast-changing digital world.

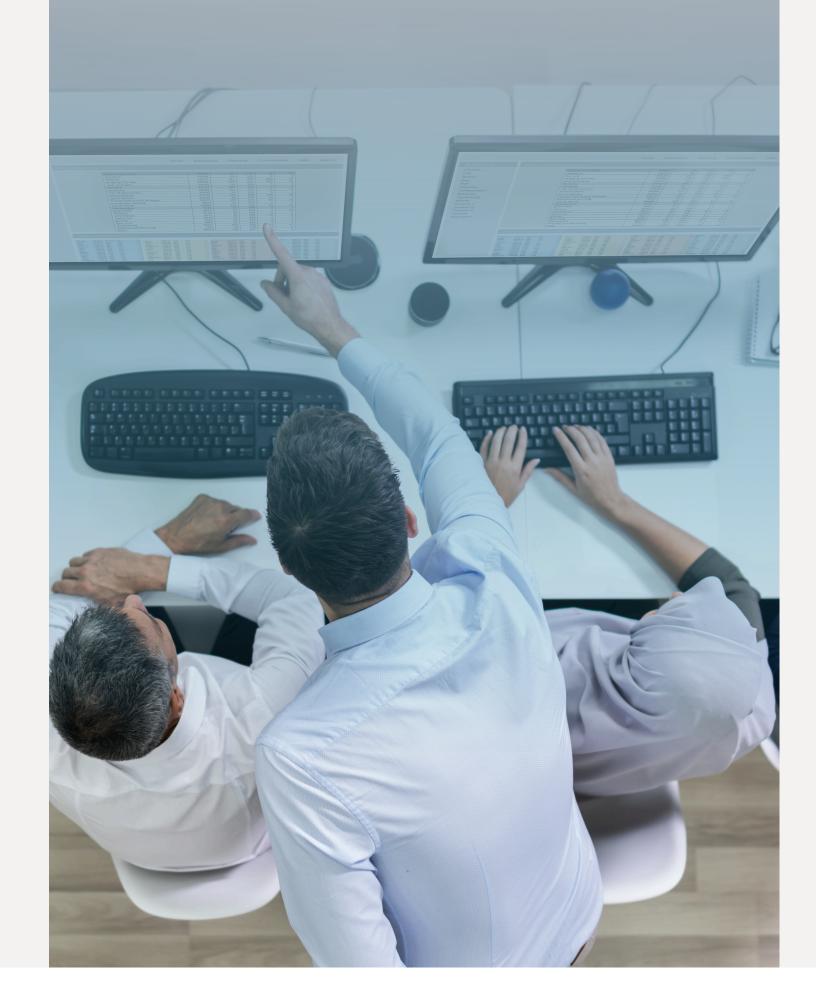

#### Company Values

#### **Integrity**

We believe in doing what's right — always. Our relationships with clients, partners, and colleagues are built on trust, transparency, and accountability. Integrity guides every decision we make and every solution we deliver.

#### **Innovation**

We never stop exploring better ways to solve problems. Innovation drives us to create smarter, more efficient solutions that keep our clients ahead in a rapidly changing world.

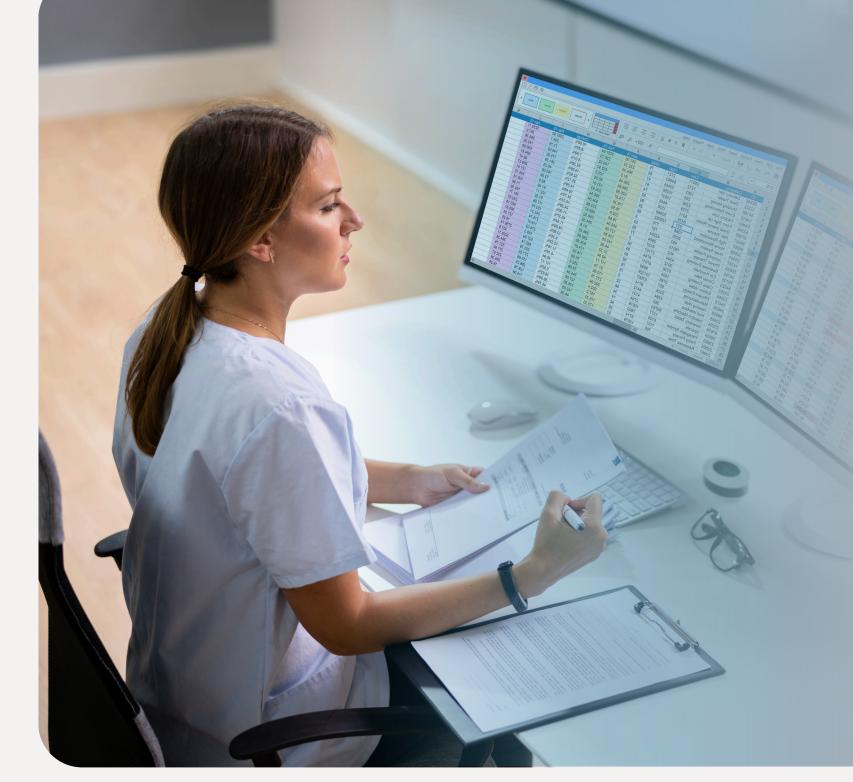

## Clients and Market

#### **Target Market**

We work with organizations that aim to simplify their operations and grow through digital transformation. From emerging businesses to multinational companies, our focus is on helping each client achieve efficiency, visibility, and sustainable growth.

#### **Key Client**

Our clients include companies that trust us to deliver dependable ERP, CRM, and eCommerce solutions tailored to their needs. We believe in building long-term partnerships based on trust, results, and continuous improvement.
